

HAPPENSTANCE ROSE

ROSA 'HAPPENSTANCE'

A MINIATURE? NOT SO MUCH! WITH TIME, THIS SHRUB ROSE REACHES 5' HIGH BY 6-8' ACROSS! DESPITE THE DELICATE APPEARANCE OF THE DIMINUTIVE LEAVES, THIS SPORT OF THE INFAMOUS 30' 'MERMAID' CLIMBING ROSE, SOMETIMES CALLED 'BABY MERMAID', EVENTUALLY DEVELOPS LANDSCAPE SIZED PROPORTIONS. THE LARGE, OPEN FACED CREAMY BLOSSOMS REPEAT THROUGHOUT THE WARMER PARTS OF THE YEAR PRODUCING A PROFUSION OF WISTFUL, BLOUSY BLOOMS THAT MAKE STUNNING ARRANGEMENTS. THE FINE, DARK GREEN FOLIAGE STAYS MORE OR LESS EVERGREEN THROUGHOUT THE REMAINDER OF THE YEAR AND MAKES LOVELY GREENERY FOR CUT ARRANGEMENTS ITSELF. . A BEAUTIFUL, UNIQUE, OLD FASHIONED ROSE!
